Dear Mrs Livingston,

Mr. Watcyn wishes me to tell you that Stanley has been removed to Alder Hey Hospital with Appendicitis.

You have no cause for any undue alarm. Stanley had his operation this morning, and the report received from Mr. Watcyn's enquiries is, "that Stanley is quite comfortable".

He is in Ward E2, where any future enquiries as to his well-being should be made. (Phone No. Stoneycroft 2304).

Yours sincerely,

Florence Lamine.
