TWENTY-SECOND ANNUAL REPORT.

The Committee has pleasure in presenting to Subscribers and friends a report on the progress of the club for the year 1944, and we are pleased to be able to record that during the year the activities and membership have increased.

The club membership is now 40 with an average attendance each club night of about 30, the club being open on Wednesday and Friday evenings.

The holding of a social evening on a Saturday, once a month in conjunction with the Blue Coat Girls' Society has proved very successful and it is hoped to continue these socials.

A Club Committee has been formed consisting of Mr. J. H. Snape (chairman), Mr. G. McGeachin (leader), Mr. R. Gudgeon (assistant leader), F. R. Millward (club captain), D. Johnson, H. Graham, R. Morris, J. Wilkinson, R. Millward and W. D. Jones, which organises the activities of the club.

INDOOR ACTIVITIES. Owing to the war, the House system had been discontinued, but at a General Meeting of members it was decided to introduce the House system again. It was felt that for the time being two Houses would be sufficient instead of the usual four, named after our Patrons. As the present members had been accustomed to the names Blundell and Shirley, it was decided to give the Houses these names, so that the friendly rivalry exhibited in School could be continued

Old Boys' Club.
