12th Aug. 1932.

Dear Sir,

The Manager of our Liverpool store, Mr. Wright, has forwarded to us a copy of the letter which you were good enough to send to him, and we are taking the opportunity of thanking you for this expression of your appreciation.

Mr. Wright forwarded your letter to us at Headquarters as the business done with the Blue Coat School is given special attention at this end, and Mr. Wright felt that the staff at Headquarters would appreciate your letter as much as he did, which indeed was the case, and those members of the staff whose responsibility it is to give individual attention to the suit orders for the Blue Coat School were very gratified that their special efforts were meeting with success.

We hope that we may continue to give you
